

Our people are committed to setting higher personal and professional standards with great emphasis on what is achieved and how they reach these objectives. We are driven by company values such as integrity, commitment, hard work, and team work.

Believing that a company's strength comes from its people, Tech One treats its employees as its most fundamental resource. The company's collaborative and client-oriented community is able to provide premium customer experience and first-rate products, delivered through expert and good-natured service.

A balanced office climate and flexible working arrangements in Tech One encourage inventiveness and inspiration in the work place. Company work values include initiative, teamwork, excellence, and hard work. Happy employees of Tech One translate to the company's commitment to client satisfaction.

We are a unified team, nurturing a passion for excellence, dynamism, and innovation by empowering our people.

Tech One is composed of young, brilliant and driven individuals from diverse professional and cultural backgrounds. Spread out over Sri Lanka, Brunei, Bangladesh, Nepal, the Philippines, and the United States, the Tech One team of nearly 500 employees is committed to rewarding, developing and retaining talent. By giving attention to career development, Tech One offers its employees the best opportunities for personal and professional growth.
