

Tech One provides solutions in document management through Sanje (Asia), Enadoc (US) and image retouching through Image Perfekt as part of our BPO/KPO services.

Our merge with Sanje Private Ltd., allowed us to expand and serve the needs of businesses from a wide range of sectors in the Asia Pacific region.

Transform tons of paper into digital documents with Tech One document management services, or focus your time and talent taking amazing photographs and allow Image Perfekt the privilege of professional digital photo retouching. With the company's document management and imaging solutions, you can focus on your work and your craft.
